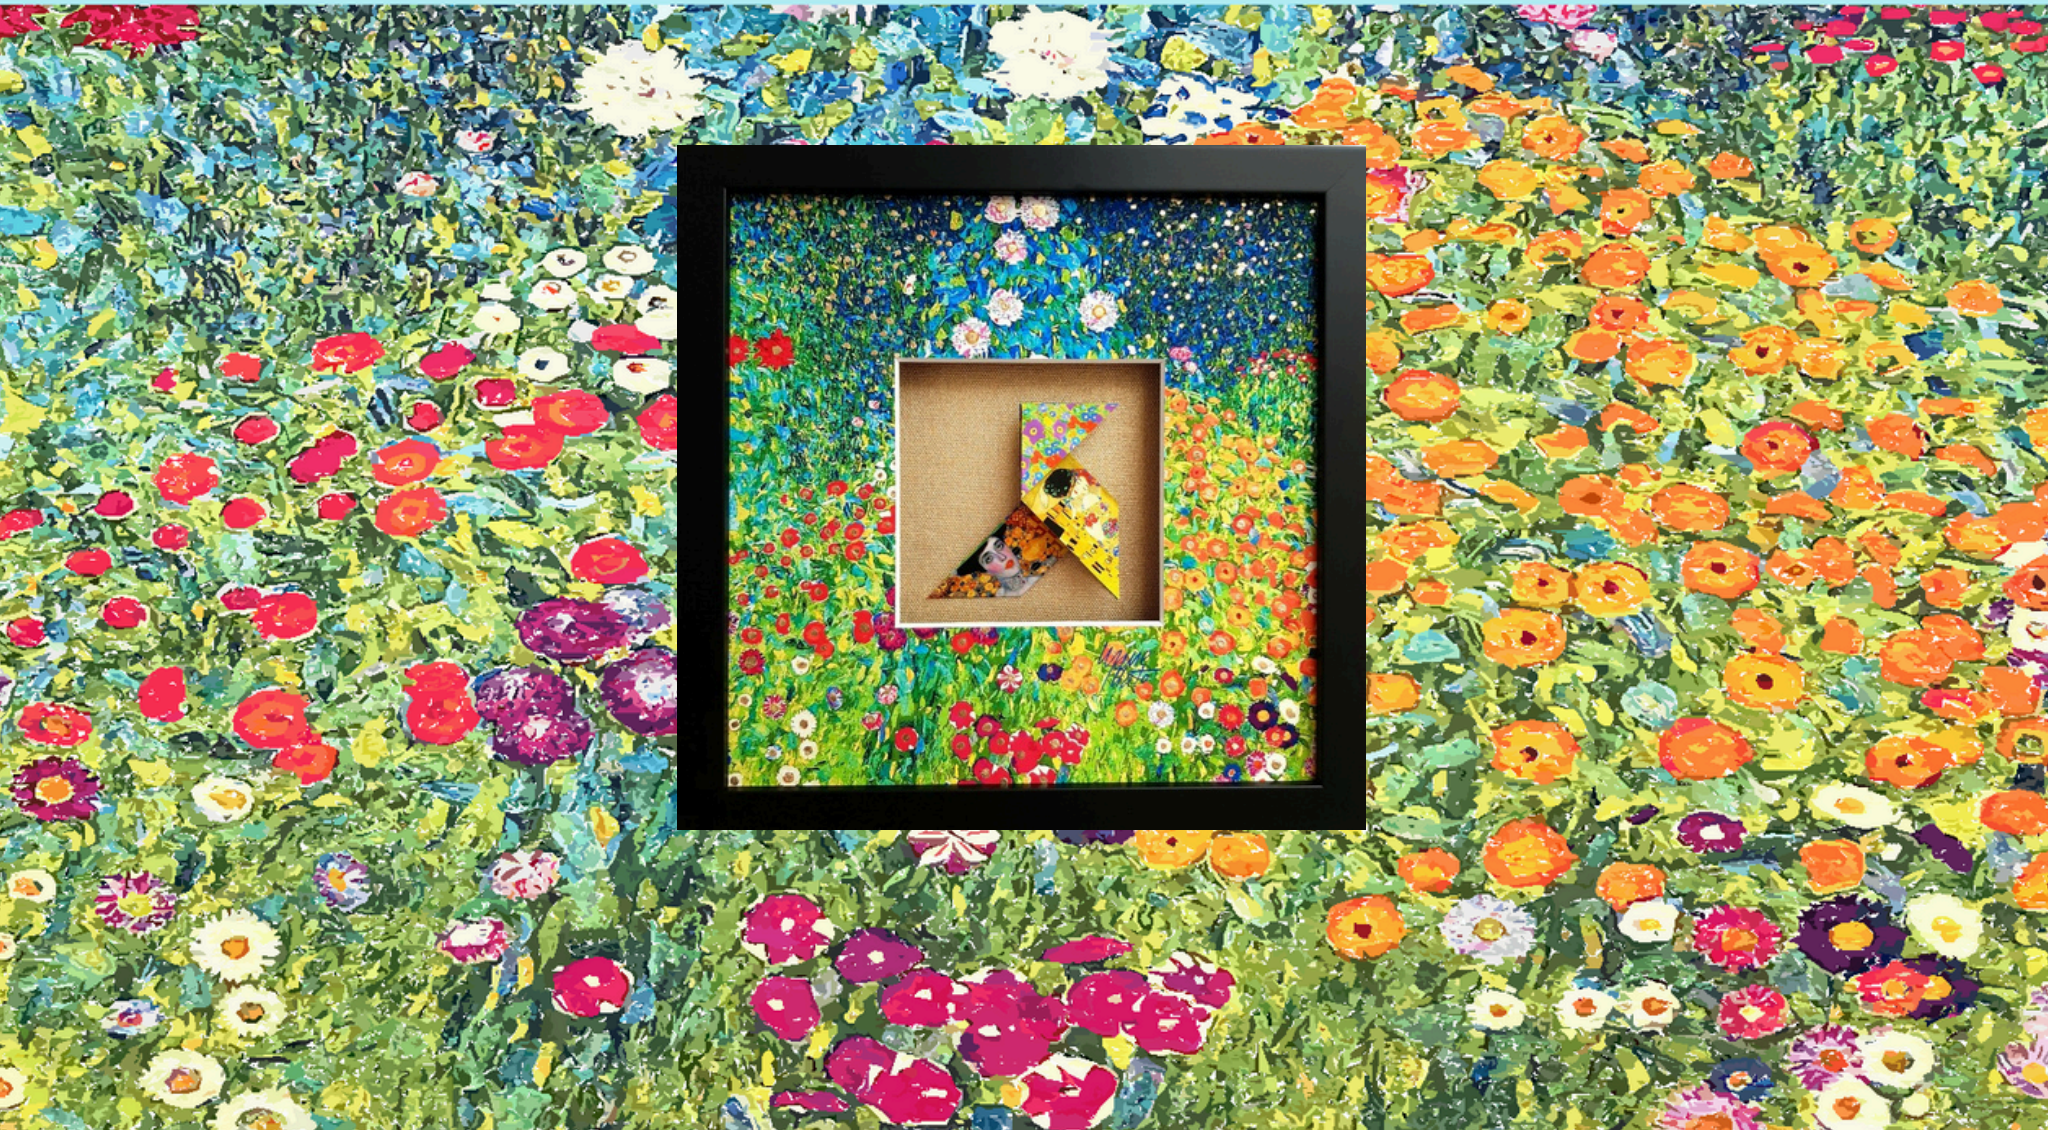
Gisele Zanellato



Gisele Zanellato vous emmène dans un monde coloré inspiré des grands noms de la peinture, qu'une nouvelle modernité transpose sur l'art ancien de l'origami. Chaque origami représente l'aboutissement d'une sélection minutieuse parmi les œuvres d'un seul artiste emblématique.

La juxtaposition et l'accumulation des pliages aux couleurs vives apportent à l'œuvre une surprenante harmonie visuelle, où ordre et rigueur jouent avec la fantaisie.

La feuille d'or avec son éclat subtil est son outil pour retranscrire la lumière et apporter une touche de préciosité à ses créations.
L'application de la feuille d'or apporte à son travail une luminosité unique, elle sublime les détails.

Née en 1960, Gisele Zanellato est diplômée des Beaux-Arts de Mons où elle vit et travaille.

Gisele Zanellato takes you into a colourful world inspired by the great names of painting, which a new modernity transposes onto the ancient art of origami. Each origami is the result of a meticulous selection of works by a single emblematic artist.
